## (ver 071117)

The following terms comprise the Data License Agreement (the "AGREEMENT") for all datasets made available to You by the National Cybersecurity R&D Laboratory (NCL), a research lab at the National University of Singapore (NUS) and governed by the National Research Foundation, Prime Minister's Office, Singapore. Certain datasets may have additional Supplemental provisions. References to this AGREEMENT shall include any and all relevant Supplemental provisions.

NCL has the authority and reserves the right, in its sole discretion, to refuse requests for dataset(s) or discontinue further access and use to anyone. If You feel Your request is inappropriately denied please contact NCL by sending a message to [support@ncl.sg](mailto:support@ncl.sg).

**In consideration for requesting and receiving access to NCL dataset(s), You acknowledge that You understand and agree to be bound by the terms and conditions of this AGREEMENT. Any violation of this AGREEMENT may result in the immediate suspension or termination of this AGREEMENT and/or other action entitled by law such as injunctive or equitable relief. You are individually liable and responsible for compliance with this AGREEMENT. This AGREEMENT is legally binding with the NCL [MASTER SUBSCRIPTION AGREEMENT](#) and [Acceptable Usage Policy](#). You may terminate this Agreement by contacting NCL in writing and receiving acknowledgement of such request.**

### 1. LICENSE

NCL's authorization to access the data grants You a limited, non-exclusive, non-transferable, non-assignable, and terminable license to use the data in accordance with this AGREEMENT solely for the purpose of non-profit research, non-profit education, commercial internal testing and evaluation of the data, or for government purposes by or on behalf of the Singapore Government. No license is granted for any other purpose and there are no implied licenses in this Agreement. This Agreement shall become effective as of the date of approval by NCL and shall remain in force for a period of one year, unless terminated earlier or amended in writing. NCL shall have the right to use any of Your feedback received during the license period solely for its non-profit educational and/or research purposes.

### 2. GENERAL CONDITIONS

- (ii) You consent that NCL can make public or otherwise disclose Your name as the registered requestor, the name of Your Affiliated Institution, the name of the dataset(s) that NCL has made available to You under this AGREEMENT, and the brief description of the type of research being undertaken that You provided to NCL.

(iii) You will abide by any and all modifications. If a modification occurs, it will be explicitly communicated to You via Your registered email address and shall become effective fifteen (15) days after the transmission of such notification. Your continued access to or use of the data after such time shall indicate Your assent to any and all modification(s). If You do not agree to comply with the modification(s), You agree that You will: (a) inform NCL immediately, at at which point Your access to the data will be terminated and no longer authorized; and, (b) no longer access or use this data.

### 3. USE RESTRICTIONS

**If You have any concerns or questions about these restrictions, You are encouraged to contact NCL Management via email to [support@ncl.sg](mailto:support@ncl.sg). To obtain an exemption from any of these restrictions, You will need a written authorization from NCL Management.**
